MISSION STATEMENT

GOLFPR, also known as Puerto Rico Golf Association (PRGA), is the governing body of amateur golf in Puerto Rico. Established in 1954, the GOLFPR's mission is to promote and develop the game of golf throughout the island, foster the growth of local talent, and provide opportunities for Puerto Rican golfers to compete at regional, national, and international levels. GOLFPR organizes and sanctions various tournaments aimed at identifying, developing, and highlighting Puerto Rico's golfing talent.

GOLFPR (Puerto Rico Golf Association) is one of the USGA's 57 Allied Golf Associations (AGA's) which enhance the golfing experience in each state. This strategic collaboration aims to deliver vital services to clubs and facilities and foster increased engagement and enjoyment among golfers elevating the overall golf experience for everyone involved.

The GOLFPR Junior Program mission is to offer junior golfers a series of tournaments and seminars to further develop their golfing skills in a formal competitive environment. The program is open to boys and girls ages 18 & Under, not in College, who not only have the desire to improve their golf game, but also have the opportunity to compete with their peers in local and international tournaments, local championships, be part of the Puerto Rico national team and have the exposure to receive college scholarships.

I. CODE OF CONDUCT

The GOLFPR Junior Program is a drug and alcohol-free program that takes immense pride in the quality of its players, parents, guardians, host member clubs, and sponsors. To continue making the GOLFPR Junior Program tournaments more enjoyable for everyone, we require that all members adhere to a set of guidelines known as the Code of Conduct. Its purpose and goal are to help GOLFPR Junior Program participants grow and mature by understanding and accepting the consequences of their actions. The Code of Conduct is to be followed throughout the entire season, including national and international events. This Code of Conduct will become part of your daily routine when going to play and practice on your own. All play in the GOLFPR Junior Program is governed by the up-to-date USGA Rules of Golf and its Interpretations. The following Code of Conduct must be followed during all GOLFPR Junior Program tournaments and activities, on and off the golf course and within the host facility.

The following will be considered violations of the Code of Conduct by the player and/or his or her caddie, parents, and spectators:

- Repetitive violations of the USGA Rules of Golf. **NOTE:** Golf is a sport of honor (Honor Game – as in the Game of Golf) where you are your own judge.
- Unsportsmanlike behavior, including, but not limited to, vulgar and abusive language, club throwing, and kicking golf bags and equipment.
- Disrespect toward volunteers, officials, or fellow competitors, or abuse of golf course property.
- Use of electronic equipment during play, such as cell phones, iPads, and smart watches, unless the use of these devices is approved by the Tournament Rules Committee.
- ***Use of drugs or alcohol will not be tolerated; this applies not only to competitors but also to parents and spectators.***
- ***Smoking or chewing tobacco products by the competitors will not be allowed.***
- Vandalism at a host hotel, or abusive behavior at a host club or toward its property.
- Not adhering to the dress code during practice, tournament play, and/or any other activity.
- Any other conduct deemed by the GOLFPR Junior Program Directors to be contrary to the Spirit of the Game and of this code.

Code of Conduct Penalties During an Official Round of Competition:

- Violations of the Code of Conduct described above may result in one or more of the following penalties based on the severity and frequency of the violation(s) at the discretion of the Junior Program Directors, the Tournament Committee/Rules Committee, and/or the Board of Directors.
    - First breach of the Code of Conduct – warning or Committee sanction
    - Second breach – one-stroke penalty
    - Third breach – general penalty
    - Fourth breach or any serious misconduct – disqualification
- Disqualification penalties and/or repetitive violations of the Code of Conduct will result in a written notification to the player and his or her parent/guardian.
- The GOLFPR Board of Directors may impose a sanction ranging from:
    - a suspension for a period of time depending upon the severity and frequency of the violation.
    - revocation of a player's membership in the GOLFPR Junior Program, making that player ineligible to participate in any local and/or international event where GOLFPR is the invited organization.

The GOLFPR Junior Program's Code of Conduct is an effort to show our juniors the way they should act and the image they should portray both on and off the course. Any questions regarding the Code of Conduct or a Code of Conduct violation may be sent in a dated written form to the GOLFPR Junior Program, 262 Matadero St., San Juan, PR 00920.

Liability Release
GOLFPR is not responsible for any damage to the golf cart and/or golf course property caused by the driver and/or the golf cart in case of an accident provoked and/or incurred while in use of such vehicle. By participating in the GOLFPR Junior Program, the participant and the parent and/or guardian of the participant, on behalf of themselves and their heirs, successors, and assigns, fully and forever release, waive, and discharge GOLFPR, the Puerto Rico Golf Association, and their respective officers, board

members, employees, volunteers, agents, sponsors, and host facilities from any and all claims, liabilities, damages, losses, and expenses whatsoever, including those arising from personal injury, illness, death, or property damage, caused during or related to participation in, travel to or from, or attendance at a sanctioned event, including, but not limited to, damage to any property of the event's host golf facility, to the fullest extent permitted by law, whether caused by the negligence of the released parties or otherwise. The parent and/or guardian further agrees to indemnify and hold harmless the released parties from any claim, cost, or damage (including reasonable attorneys' fees) arising from the participant's acts or omissions, including damage to the golf cart, golf course, or host facility property.

Caddies

Caddies are ***only allowed in the 9 & under and 11 & under categories, unless otherwise indicated***. Caddies must remain with their own player and avoid distracting other players in the group. Also, caddies must use an official caddie bib and are responsible for returning it at the completion of the round. They will obey the USGA's Guidelines regarding caddies. Any violation of these Rules of Golf will result in a penalty/sanction against the player.

Competition

A round of golf is meant to be played at a prompt pace. All players must comply with the pace of play policy established by GOLFPR. All players must not unreasonably delay play either when playing a hole or between two holes. It is recommended that a player make the stroke in no more than 40 seconds after they are able to play.

All players are required to leave the green immediately so as not to delay play. Golf bags or pull carts are to be placed in a position towards the tee of the next hole of play, taking care not to place them on the putting surface. Slow players may be warned, timed, and subject to penalties or disqualification.

Scorecards

Scorecards must be exchanged by the players in the group prior to teeing off. Scoring is one of the most important parts of a golf tournament. All players should certify their score after each hole with the player keeping their scorecard. All the players in the playing group, and the scorekeeper/marker when applicable, must be present when submitting the scorecards to the scoring table.

All players must make sure that the scorecard is signed by his/her marker and by the player himself/herself. If you do not agree with your score, a GOLFPR official will be available at the scoring table to solve any dispute. Each player is responsible for handing in his/her own scorecard at the Scoring Table. After the player leaves the designated Scoring Area, his/her scorecard is deemed to have been returned.

Players are responsible for the hole-by-hole score that is written on the scorecard. The score on each hole must be the exact number you shot on that hole. If a higher number is reported on the scorecard for a specific hole, then that recorded number will count for your total score. If the number recorded on

the scorecard is lower than what you shot (including any penalty strokes) on a specific hole, then the player will be disqualified (Rule 3.3b). GOLFPR officials are responsible for the addition of the scores.

Note: GOLFPR may require all players to post scores on a hole-by-hole basis on the Golf Genius app through the GGID number.

Lunch
Although lunch will not be provided by GOLFPR, fruit and other snacks may be available at the starter's tent.

Cancellations
Players who have applied to participate in a GOLFPR Junior event and wish to cancel for any reason MUST notify a GOLFPR Official at (787) 793-3444 at least 24 hours prior to the event. If a player must cancel the day of the event, he/she is responsible for calling the assigned course to notify them. Players who fail to do this will be listed as a "No Show" (NS).

Refund Policy
If the player fails to cancel at least 24 hours prior to the event, the payment is non-refundable and non-transferable. If a player cancels at least 24 hours prior to the event, he/she will receive credit for the next event.

No Shows
A player with two or more "No Shows" will be placed on the alternates list for the next two events he/she applies to. *A player who starts and withdraws from an event without notifying a GOLFPR official will not be allowed to participate in the next event unless the Tournament Committee has excused the player.*

Returned Checks
All checks returned due to insufficient funds will carry a $25 service charge.

Appeals
Any appeal must be made in writing within seven (7) calendar days of the occurrence to the GOLFPR Junior Program Director, 262 Matadero 15NW, San Juan, PR 00920, unless otherwise allowed by the Rules.

Rules Seminars
The GOLFPR Rules Committee will provide rules seminars for all GOLFPR Junior Program members. Seminars will be offered on various dates for everyone's convenience. Junior Program members should attend a Rules Seminar every year to be eligible to participate in GOLFPR events. Parents who wish to participate throughout the season as caddies in the 9 & under and 11 & under categories should take a separate seminar given exclusively to those interested in caddying.

6. Spectator Cart Policy

GOLFPR generally does not allow parents and/or spectators to rent golf carts during official GOLFPR Junior Tournaments. The GOLFPR Junior Tournament Committee will consider the use of golf carts at certain junior tournaments.

Handicap Spectator Cart Policy
Rental of golf carts by spectators will only be allowed if the spectator has a valid government-issued handicap permit. These spectators will have to present this evidence to the Tournament Director prior to the rental of a golf cart and must request permission before the tournament deadline. Only one cart per family will be permitted.

- 1. Handicapped person presents to the GOLFPR staff a handicap card issued by a government agency.
- 2. Host club has a golf cart available.
- 3. Handicapped person pays host club the appropriate cart fee.

Policies:

- Acceptance and signing of Spectator Cart Policy & Cart Authorization Form
- During play, the player may not ride in a cart unless approved by the Competition Committee or a Rules Official.
- **Carts must always stay on the cart path**. If the course/hole does not have cart paths, then the cart must always stay in the rough.
- Carts must move forward on the golf course (from tee to green).
- A maximum of two people is allowed per cart.
- The 30-yard rule also applies to spectators in golf carts.
- An adult must always drive a cart.
- Any other medical conditions will be evaluated on an individual basis prior to the Tournament deadline and will require a medical excuse. (Advanced pregnancy, broken leg, surgery etc.)

If any of the above is violated, the permit will be revoked for the season, and the cart will be removed immediately. Cart fee reimbursement will be determined by the host course. There will be ZERO TOLERANCE for any infractions of or violations to the above policy and requirements.

7. PARENTS' GUIDE

Appreciation of Club Staff and Event Officials. It is appropriate to express your appreciation to the host club, its staff and the GOLFPR officials conducting the event. Please recognize that your actions may influence the future ability to use the golf club's facilities and it is your responsibility to be a gracious ambassador of junior golf. Set a fitting example for your child and all the people present:

- Say thank you to the golf professional, club staff and members.
- Be patient with staff and officials.

- Express your gratitude to our volunteers and volunteer officials.
- Always be courteous.

Advice/Coaching

A minimum distance of thirty yards must be maintained between spectators (any family member, friend, coach, or professional), and the junior player, and must always remain walking on the cart paths or in the rough. This guarantees that **no advice or coaching** is given to the player. Spectators may assist players in finding a golf ball and are allowed to give the player a beverage or a snack. Any action considered as Advice will be deemed a violation of Rule 10.2a. The penalty will be the General Penalty for each violation and can result in elimination of spectator privileges and/or other sanctions to spectator and player.

Spectators

- **Consumption of alcoholic beverages is prohibited on the golf course.**
- Must observe without interfering with or delaying the play of any competitor or group of competitors.
- Talking to players, other than "good shot", encouragement, or the like, or the use of any form of visual communication with the player will be treated as advice or coaching and may result in the player receiving a penalty.
- Must always observe golf etiquette and respect the conditions of the golf course, facilities, and services provided by the host club and GOLFPR. Acknowledgment of good shots of all players in a group displays good sportsmanship. Spectators are encouraged to keep as silent as possible when following a group to reduce any distractions or interference. Cellular phones must be turned off or put on vibrate mode.
- Spectators must not dispute scoring discrepancies, rulings and other decisions made by players, officials and/or Tournament Committee.
- GOLFPR reserves the right of admission to the host course of a Junior Program event; therefore, it reserves the right to remove from the golf course any parent/spectator who is viewed to be in violation of the GOLFPR Code of Conduct and/or the host club code of conduct. This action could result in the competitor of the spectator involved being suspended from the Junior Program, or other sanctions may be applied by the Junior Program committee.
- In the event of a suspension, the parties involved have the right to appeal within seven (7) calendar days of the violation.

9. Junior Team Qualifying Criteria for the Caribbean Amateur Junior Golf Championships

Qualifying for the Junior Team that participates in the Caribbean Amateur Junior Golf Championships and other special events representing GOLFPR will be based **on our Junior Program Ranking System** and participation in our current season events.

- Girls 15 & Under (One player will automatically qualify + 1 GOLFPR Junior Committee Selection)
- Girls 18 & Under (One player will automatically qualify + 1 GOLFPR Junior Committee Selection)
- Boys 11-13 (One player will automatically qualify + 1 GOLFPR Junior Committee Selection)
- Boys 15 & Under (Two players will automatically qualify + 1 GOLFPR Junior Committee Selection)
- Boys 18 & Under (Two players will automatically qualify + 1 GOLFPR Junior Committee Selection)

Board Selection Criteria & Process:
The GOLFPR Board of Directors or a designated Junior Committee (composed of a minimum of two board members) will select 1 player for each division, at its own discretion. The selection committee may consider multiple factors, including other tournaments, championships, qualifiers, and other events played outside of their category or outside of Puerto Rico along with the Season Ranking results to determine the best candidate for the Team.

The category winners of the GOLFPR Junior Island Championship **do not** have an automatic spot on the Junior National Team for the Caribbean Amateur Junior Golf Championships. Players from a lower age group are eligible to be selected for an older age category. The Junior Selection Committee will present the final results, based on the selection criteria established above. These results will be presented to the Board of Directors for final ratification.

The Season Long Ranking System will be as follows:

- The ranking system will be determined by scoring averages during the season.
- Players must have participated in at least 60% of eligible GOLFPR rounds for their scoring average to be considered.
- In case a player participates in a junior event representing GOLFPR outside of Puerto Rico and misses a local GOLFPR Junior Tournament, his/her best rounds played in the event will be included in the scoring average system. Players must be registered as members of the current year's Junior Program, to be considered for National Team Selection.
- Participation in the Junior Island Championship will be mandatory to be considered for the Junior National Team for the Caribbean Amateur Junior Golf Championships.
- A player with little or no season-long event participation or lacking Junior Island Championship participation may be selected by the Junior Committee as a Board Pick based solely on extraordinary circumstances and/or events that did not allow the player to participate and comply with eligibility requirements, provided the player has given GOLFPR other event results and performances to be evaluated.
- Designated qualifiers or other Junior Events may also be included in the Junior Ranking System.
- Players with a scoring average higher than 75 for the boys and 76 for the girls will not be considered eligible for National Team representation or GOLFPR sponsored events, absent special circumstances.
    - If the overall scoring average in any given category is higher than 75 for the boys and 76 for the girls, the GOLFPR Junior Committee may select the players that will represent Puerto Rico in that specific category based on empirical data and participation, but at the ultimate discretion of the Board of Directors.

NOTE: In case a player was outside Puerto Rico participating in a junior event representing GOLFPR, and missed a local GOLFPR Junior Tournament, his/her best rounds played in the event could be included in the scoring average system. Players must be registered as members of the current year's Junior Program, to be considered for National Team Selection. These scores must be posted in the player's active GHIN by the player.

Those players who will be 19 years old by the time of the Caribbean Amateur Junior Golf Championships will not be eligible to be on the Team as per the Caribbean Golf Association Standards.

10. Participation in other National & International Events

GOLFPR invites juniors to tournaments all around the world. The selection process for these events varies depending on the amount of time GOLFPR has been notified of tournament participation prior to its deadline, as well as the specific requirements of the event. If time allows, the GOLFPR Junior Committee may hold qualifying events and/or may rely on existing Ranking System results and Scoring Averages to determine the best available participant. This is not limited to Junior events and includes invitations to Amateur, other Private Junior Tours or events, and possible Professional events where GOLFPR can select participants or has been awarded playing spots.

Selection Committee

GOLFPR Board of Directors or a designated Junior Selection Committee must be composed of at least two Board Members and approved by the Board of Directors. The designated selection committee shall present the final team members and/or selections to the Board of Directors, evidencing compliance with the selection criteria established for the specific event.

For an international event that a player has been chosen to participate in, GOLFPR may pay a player's entry fee. Parents are responsible for travel and hotel accommodation. GOLFPR may assist the parents in making travel and accommodation arrangements, but the ultimate responsibility for covering these expenses rests with the parents. GOLFPR will not directly or indirectly supervise any player. The parents will be the only responsible party in charge of fulfillment of the Code of Conduct as stated before. If the parents do not accept this policy, the player will not compete.

IMG World Golf Championships

(San Diego, CA)

The players with the top-scoring averages will be selected. If the selected players do not want to attend, then the second-best ranked player will be invited, and so on. The travel expenses will be covered by the parents of the selected players. The Orange Bowl Junior Golf Championships
(Miami, FL)

If the Champion is not eligible due to any unforeseen reason, the runner-up of the Junior Island Championship will take the place if the scoring average is 75 (boys) and 76 (girls) or lower. In the event that the score is higher, GOLFPR reserves the right to run a qualifier between the 2nd, 3rd and 4th and ties of the final results of the Junior Island Championship.

The AJGA Discover Puerto Rico Junior Championship
(Rio Grande, PR)

Based on the number of available spots allocated to GOLFPR, GOLFPR will select the top-ranked players based on the Junior Ranking System and/or top scoring averages. GOLFPR reserves the right to run a qualifier for players interested in participating in the event. Players with scoring averages of 75 (boys) and 76 (girls) or higher **MAY NOT** be considered eligible for selection for the AJGA Discover Puerto Rico Junior Championship.

11. Parent Permission Form / Guidelines Receipt / Media Release

Liability Waiver
